

Slotvent 5000 GB Gas Board Vent

- Meets building regulations – BS5440 Part 2:2000
- Permanent air flow
- Available in a range of colours including mixed internal & external parts

Specially developed to meet BS 5440 Part 2:2000 (Specification for the installation of ventilation of gas appliances) requirements for permanent supply of combustion air for heat producing appliances. External unit cover is hooded to prevent weather ingress; internal unit is inverted to deflect air supply upwards.
