UNICORN LETTER PLATE

KEY PRODUCT FEATURES

- Designed to form a suite of products with window handle, door handle and door hinges.
- Letter flaps are manufactured from stainless steel for ultimate corrosion resistance.
- Flaps open to 180° relieving excess strain on pivot points with a stainless steel return spring to ensure continuous positive return.
- External flap has a complete seal forming a full thermal and acoustic barrier.
- Detachable clamping screw boss for alternative direct face fixing.
- Available in full choice of finishes including White, Gold (PVD) and Chrome. Other colours available to order.

UNICORN LETTER PLATE

Product Specification

Carl F
International

The Unicorn letter plate has many features that sets it apart from the competition. The ability to open the letter plate to 180° eliminating excessive leverage on the pivots gives the product greater durability and increased functionality.

The design and construction is unique with pressed metal flaps that shroud the surround, improving the appearance. The ergonomic folded edge of the letter plate also provides comfort and ease of use.

Strength and durability of the letter plate are increased by the use of a stainless steel torsion spring rather than a conventional plastic type.

One attractive design, four high quality products forming a co-ordinated suite of door and window handles, door hinges and a letter plate.

Corrosion Test: UKAS laboratory tested to BS EN 1670: 1998 to grade 5 classification (480 hours salt spray).

Cycle Test: Open and closing action of flap tested to 100,000 cycles.

UV Test: Independent laboratory tested to ISO4892 part 3.

Weather Test: In house tested in line with BS EN13724:2002.

Abusive pull test: in tests where a load is applied to the letter flap to stimulate someone pulling a door closed, the Sparta letter plate achieves loads in excess of twice that of conventional plastic pivot/torsion spring designs.

TESTING & ACCREDITATION

PART NUMBER	PRODUCT DESCRIPTION	SIZE	COLOUR	BOX QTY
42.9050.30.200	Unicorn Letter Plate	40 - 80	White	10
42.9050.74.200	Unicorn Letter Plate	40 - 80	Chrome	10
42.9050.81.200	Unicorn Letter Plate	40 - 80	Gold PVD	10
