

Vector/Vector Plus Highline

- Secured by Design (Vector Plus)

Enjoying the same features as Vector/Vector Plus, the Vector/Vector Plus Highline, is designed to suit systems, which require 17mm, stack height hinges. Also compliant with BS7950 for enhanced window security.

Vector Plus

- Enhanced security
- No additional fixings required
- Unique end cap and point design
- No loss of performance
- BS7950 – enhanced security
